Focus on Learning

This week Parkmore Primary School's senior students celebrated a term of science inquiry learning with their Deakin University mentors with a science showcase.

Their projects on adaptation and biological systems demonstrated their learning and their creativity. Our junior students and teachers really enjoyed touring the display stalls and finding out about experiments, plant adaptations, food webs and how climates affect plants and animals.

Principal's Report

School Council and Parent Forum

This month's School Council meeting featured a Parent Forum – the purpose of this was to receive parent feedback about the school as we prepare for our school review. Thank you so much for the families that braved a cold evening to attend the forum – it was great to hear your views about how Parkmore Primary School is travelling!

Parkmore Primary School's Policy Committee and School Council have been busy writing, approving and ratifying new policies. As this work continues, you can access new policies at the school website.

New policy additions include:

- Visitors Policy
- Volunteers Policy
- Duty of Care Policy
- Child Safe Policies
- Curriculum Policy

Library Helpers Please

Our wonderful librarian Michelle Phillips is seeking help from our community members. She would love help to return and re-shelve books and to assist with other library jobs. She is also looking for a small team to help on a stocktake day in Term 4. She is happy to train volunteers how to use our library system. If you would like to help, please feel free to email the school at: parkmore.ps@edumail.vic.gov.au or leave your name and number at the front office.

Holiday

Wishing you all a happy, sunny and safe holiday break. See you all back at school on Monday 7th October!
