Transition Program for Prep Students 2021

'Sprouts' Program

From Term 3, kindergarten aged children can participate in our 'Sprouts' program as part of their readiness to commence as Prep students in 2021.

Please note parents must accompany their child to the 'Sprouts' sessions only.

Tuesday 21 July 9:30am– 10:15am	Let's Be a Positive Detective – The children will be introduced to the <i>Positive Detective</i> program, which form the basis of our Positive Education work in our Junior unit.
Wednesday 12 August 2:30pm– 3:15pm	Active Sports Day – The children will enjoy games with our Physical Education teacher. Your child should wear runners.

Orientation Program

Our enrolled 2021 Prep students are encouraged to participate in a series of orientation sessions to support their smooth transition to school.

Wednesday 28 October 6.30pm – 7.30pm	Getting Ready for School - <u>Parent Information Session</u> : This session will outline the formal transition process into primary schooling for our 2021 Prep students, plus what you can do to prepare your child for school.
Thursday 5 November 11:30am– 12:30pm	Technology Time : The children will explore aspects of the curriculum using the school's comprehensive range of digital learning technologies – program your own robot!
Tuesday 10 November 9.30am – 11.00am	Marvellous Mathematics : The children will participate in a range of hands-on mathematics learning experiences.
Tuesday 17 November 9.30am – 11.00am	Art Play : The children will join our Visual Arts teacher for an art session. Bring a smock or old t-shirt from home!
Thursday 26 November 11.30am – 1.00pm	Reading Rocks! : The children will participate in fun literacy activities in our fantastic library including a reading scavenger hunt. Bring a packed lunch to this session.
